My family was not so I had no choice but to go alone.

The place the classroom center asked to meet was a classroom that had.

Suzuko...
If it isn't Suzuko Ryoko...

If someone sees me here, I'd be expelled...

No... I'm fine

Hey girl, how about a drink?

Kamurochi Takashi, 25
years-old, a single,
language arts
teacher

He wasn't very
popular amongst
the students.

Kamurochi
smiled

Yes

I'm sure
you know the
school rules.

No matter
what the reason
is, you'll be
expelled

Your parents
would be worried as
well. It'd be better not
to tell them.

Oh well
but this year, I'll
keep quiet about
this from the
school

Thank
you so much

I hadn't had
a clue about the
altruistic motives of
man.

No

Just tonight
using the talk
about expulsion
he called me out
to the school
storehouse

Since this
was the store-
house for the
Sports Festival
people easily
came here.

Friendship Scars

I can't tell them that I've talked scars away!

Well, I think so too but, you know

Our friends to be are very strict so I just don't want them to be any more going around the neighbourhood.

If Ryoko heard you she'd get mad!

I can't tell them

You guys!

Here are the notes from today

You caught a cold?

We stayed in to visit you

—

But it hasn't been focused out yet

It was too soon for the sign to school

My cousin from China came over the other day

and she said that he used to be in the school she goes to

That's normal too. I heard something about students

What?

Oh, there's no room for language in the city

Students can't even read at school today

Well it's
apparently just
a rumour between
some of the stu-
dents though

But he
transferred to our
school right after
all that

She said
something
about him
smorting from
students or
getting over
pregnant...

What?

You should
be careful. Your
bodyface is just
his type

So yeah
Ryosuke did
you get
your thing
pass last?

I saw it
on top of Mura
kame's desk on
Saturday

Wow

.....

Don't tell
me that secret that
it planned from the
beginning ...!!

Right
from the
beginning...

I'm not gonna
become a mountain
for a man like
that!

him.

First I
need to

It's not like
you'd be
able to see
anything
if you
were
there
right?

He... Well
my parents
are already
dead.

And I had a
younger brother but
he's still in the
hospital. Well I'm living by
myself now.

Sally-san
do you
have any
family?

Sorry for
calling you out
like this to help
me choose a
camera.

It's fine.

Well
I'd love to

You
mean
go?

My
sister
gave me
these movie
tickets.

!!

It's the better if we
can know that I
know this guy...

Someone you
know? You don't
want to be seen
with me?

Sorry I
am. My
school is really
strict about
things.

I'll do
it tomorrow!

He
always uses
the national
line

I don't
know where
the body will
be discovered

I have
to hurry

That's

When
should I
tell Beladell
about it?

Preparations okay! All that's left is **SAFARI-SAFARI** time!!!

you can't tell if
it was an acci-

I'm sure the
body must have
been found at
the school
already.

What

At around
10 AM this morning
the body of a murdered
man was discovered in
the storeroom of the
private Miss Galla
Academy

The victim
was a teacher at
the same school
Munehito Takashi
38 years old

And now
for 5 minutes
of news

it's back

He been
found!

The cause
of death was several
strong blows to back
of the head - it has
been determined as
a skull fracture

Friendship Scars

He wasn't dead.

So I delivered the finishing blow.

Why would you... if

If I hadn't met you, I could've just let you be.

Meeting with you after that was a moral-calculation.

I saw everything that happened with you too.

He got up after you left away.

That's it.

Remember I said my brother died?

He struggled for the first time with a threat and Markham went that as blackmail to exact money from him.

It was a success.

He was a little timid but he wasn't a bad kid. He was the much younger little brother I raised myself.

I can't give the speech of the moment, but you know.

But it
should've
been a
negotiation
for both of us.

See?

To talk
the each
other.

When you
could you think
me... was it the
truth...?

Looka
like you're want
the gambles

Gambles
I didn't know
what you meant.
Give me your
hand.

How
the out.

We both got
closer to each
other in order to
kill each other.

That is
some kind
of gambles

If you was
you're free. If
you lose you
die as the
criminal.

Please
give me
your
hand!

Saku-
san!

I'll take
your legs
with me.

Saku-
san!

It's
impos-
sible for
you to
pull me
up.

Pyoke.

I
love...

Later,
on the car's dash-
board, there's a
note with my
destination.

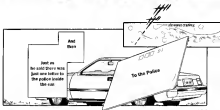

I'm sure the
police will find
it eventually.

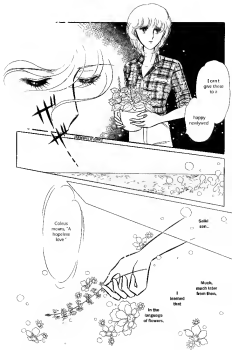

You should
just go home
and have some-
ing to do with
this modern

I haven't
written your
name.

The British
won't be your
friend, right?

Or...
instead...

Safe sex
